3. BACKGROUND

3.1. Globe Enterprise (India) Limited was originally incorporated on October 4, 1995, as “Swaroop Financial Services Private Limited” under the provisions of the then Companies Act, 1956, with the Registrar of Companies, Gujarat, Dadra & Nagar Haveli. The name of the Company was subsequently changed to “Globe Textile (India) Private Limited” via a Shareholder’s Resolution passed at the Extra-Ordinary General Meeting held on March 31, 2006, and a fresh Certificate of Incorporation was issued on May 23, 2006, by the Registrar of Companies, Gujarat, Ahmedabad. Further, the Company was converted into a Public Limited Company, and its

name was changed to “Globe Enterprise (India) Limited” on March 22, 2017, with Corporate Identification Number L65910GJ1995PLC027673. The registered office of the Company is located at Plot No. 38 to 41, Ahmedabad Apparel Park, GIDC Khokhra, Ahmedabad, Gujarat – 380 008. Globe is one of the prominent companies in the textile sector, owning various brands in clothing and apparel. The ordinary shares (*as defined hereinafter*) of the Company are listed on the National Stock Exchange (India) Limited.

- 3.2. Morabia Creation Limited was originally incorporated on October 6, 2016, as a Private Limited Company under the name “Morabia Creation Private Limited”. Subsequently, the entity was converted into a Public Limited Company under the provisions of the Companies Act, 2013, with Corporate Identification Number U52320GJ2016PLC094016, and has its registered office at Flat No. 14, Saryu Appartments Navrangpura, Ahmedabad, (Gujarat) – 380 009. MCL is engaged in the business of textile and clothing trading, including the trading of apparel. The ordinary shares of the Company are not listed on any stock exchange.

4. RATIONALE AND OBJECTIVE OF THE SCHEME

- 4.1. The Demerged Company is currently engaged in the business of textile, clothing, and apparel, encompassing both manufacturing and trading activities. It carries out trading operations, particularly in garments and apparel, under the well-recognized brand names INDIGENX and ORIJEAN. By separating the trading operations into an independent entity, the management intends to allocate resources more effectively, streamline business processes, promote specialisation, and unlock greater shareholder value. This strategic restructuring aims to foster independent growth opportunities and better market positioning for each business segment, benefiting stakeholders and enabling stronger business sustainability.

- 4.2. The Trading Business of Globe Enterprise (India) Limited, specifically encompassing its well-established brands INDIGENX and ORIJEAN, has significantly matured and evolved over the years, establishing itself firmly in the textile trading sector. To effectively leverage its strong market presence, extensive distribution network, and established brand reputation, the Company intends to segregate its Trading Business into a

separate listed entity through a strategic demerger scheme. This restructuring will enhance dedicated management focus, improve operational efficiency, and facilitate agile decision-making specifically tailored to trading activities, distinguishing clearly from the Company's manufacturing operations.

- 4.3. The proposed demerger is strategically beneficial for Globe Enterprise (India) Limited and its shareholders, employees, creditors, and other stakeholders for the following key reasons:
 - 4.3.1. India's textile trading market offers substantial growth potential driven by rising consumer demand, rapidly evolving market trends, increased digitalization, and improved logistics infrastructure. Creating a dedicated trading entity allows Globe to efficiently capitalize on these specific opportunities without the constraints of manufacturing operations.
 - 4.3.2. A standalone trading entity will possess greater flexibility to implement tailored market strategies, swiftly adapt to changing consumer preferences, optimize procurement and distribution processes, and enhance responsiveness in an increasingly competitive marketplace.
 - 4.3.3. The new, focused trading entity will have enhanced access to capital markets, both equity and debt, enabling targeted investment in market expansion, technology upgrades, strategic partnerships, and brand-building initiatives specific to the trading segment.
 - 4.3.4. As a specialized trading-focused entity, it will attract strategic investors, stakeholders, and business partners whose risk profiles and investment interests are closely aligned with the dynamics of the textile trading sector, thereby optimizing valuation and fostering sustained value creation.
 - 4.3.5. This Scheme will unlock intrinsic value for shareholders through independent market-driven valuation of the new entity's shares, providing enhanced investment flexibility and the option to remain invested specifically in a robust, trading-focused listed company.
 - 4.3.6. The restructuring will support long-term strategic synergies and stability between Globe's manufacturing and the newly independent trading business, ensuring mutually beneficial operational alignment and competitive advantages in their respective domains.
 - 4.3.7. The resulting company will acquire the INDIGENX and ORIJEAN brands, and it will operate independently without being controlled by the existing Globe promoters. This will allow the resulting company to independently strategize, innovate, and attract fresh

investment, thereby providing a clear distinction and reducing potential conflicts of interest between the resulting and the demerged entities.
